TEAMWORK

WHAT IS TEAM WORK ?

HINT - What about making a TV programme or a film? How many people are involved? What kinds of people? What do they do?

WHAT TEAMS HAVE YOU BEEN IN ?

HINT - Sport, clubs, families, school, gangs, football crowd, youth clubs, army cadets

WHAT MAKES A GOOD OR BAD TEAM ?

HINT - The Bible says that all the parts of a person's body need each other and need to work together. What would happen if someone's hand said 'I don't need the arm any more...'

IS BEING IN A TEAM A GOOD THING ? WHY ?

HINT - Try this game - get come cotton and wrap it around your wrists once - see if you can break out? If so, wrap it round 10 or 20 times. Now can you break out? What if others help?

HOW CAN WE WORK TOGETHER BETTER ?

HINT - There is a word called, 'responsibility' - what does it mean? Are there practical ways we can help out in our community? Think about the 3 musketeers - 'All for one and one for all' !
